It is hoped that we will not only inspire others to do the same, but also to help stimulate a sense of community pride.

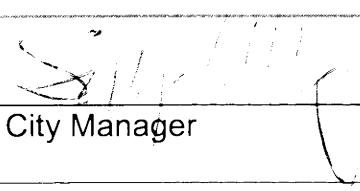

All nominees were required to meet the following criteria:

- ☐ They must be a resident of the City of Rockville
- ☐ They must have made a significant contribution to their neighborhood or to the City of Rockville between June 30, 2004 to July 1, 2005

- ☐ They must have demonstrated concern for their neighborhood's well being or the overall quality of life for Rockville
- ☐ They must not be employed by the City of Rockville

Nominations were submitted to the Neighborhood Resources Program during the past fiscal year and those twelve residents will receive the Good Neighbor Award. The honorees were selected for a variety of acts ranging from helping the elderly and infirmed residents with yard maintenance, home improvements and errands, to donating their time and expertise in resolving neighborhood issues. The individuals receiving the awards along with the neighbor who nominated them are invited to the award presentation. During the meeting, the Neighborhood Resources Staff will assist the Mayor and Council handing out the plaques to each awardee.
